THE ZORB ZONE

Henrietta Reeve
Owner
'The Zorb Zone'

Waterwalkerz have been our preferred supplier of Waterwalkerz balls, Water Rollers, Bodyzorbs and boats for the last 15 years because the quality of the TPU that they use is far higher, and therefore safer, than other manufacturers. We have recommended Angus and his company and service many times over the years and continue to do so.

Eddie McGhee, Outdoortrax, Falkirk Wheel

Waterwalkerz have been great to work with, we have worked closely for over 10 years and Continue to do so 10/10.

Bill Hindley, Thriftwood Campsite

Waterwalkerz Balls have consistently been the most profitable activity that we have, even more profitable than kyaks and archery.

Andrew McDonald, Heatherton World of Adventures

Heatherton is prod to be associated with Waterwalkerz. We have been running Waterwalkerz for over 2 years now with over 40,000 happy customers.

Dean Tearle, Hertsmere Leisure

We have Waterwalkerz at one end of the pool and floats and balls the other end which means all the children are involved.

Phil Wood, St Annes Boating Lake

I first became aware of Waterwalkerz in 2007 and decided to try them out in the summer of 2008. The Waterwalkerz team gave me all the information that I needed to get started from general operational advice to risk assessments, videos, images for posters etc.
